### X-Ray Analysis - Same Day Processing (No minimum)

Metals Accepted

Gold (Au)	Silver (Ag > 80%)	Platinum (Pt > 90%)	Palladium (PD)	Gold & Silver (Mixed)
<del>Payout 96%</del> <b>98%</b> <b><u>NO FEE</u></b>	Payout 92% <b><u>NO FEE</u></b>	Payout 90% <b><u>NO FEE</u></b>	Payout 88% <b><u>NO FEE</u></b>	Payout 96% <b><u>NO FEE</u></b>

*At this time only Clean Scrap in the Gold, Silver, Platinum, Palladium and Gold & Silver metals are accepted by Quality Gold. Please refrain from sending any metals not on this list and do not mix Clean Scrap with bench sweeps and filings, crucibles, emery paper, buffs, brushes, saw blades, computer parts, electronic parts, electrical parts, batteries and plating solutions. These items are not part of this program. All metal received is melted together.*

# OUR PROCEDURE IS QUICK AND SIMPLE

## 1.

- Complete our Refining Form which can be downloaded from **Refining.QGold.com/Forms**  
— **SHIPMENTS WILL NOT BE PROCESSED WITHOUT A FORM.**

## 2.

- Ship your package insured to:

<b>UPS, FedEx, DHL Shipments</b> QG (Attention RD) 500 Quality Blvd Fairfield, Ohio 45014	<b>USPS Shipments</b> QG (Attention RD) P.O. Box 18490 Fairfield, Ohio 45018
----------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------
- Bag each metal type individually (Gold, Silver, Platinum, etc.).  
**DO NOT MIX METAL TYPES.**

## 3.

- Each metal type is **MELTED** and then analyzed by X-Ray Analysis (All metal is melted, no exceptions).
- One offer per metal type is given with no processing fees.
  - If multiple offers are requested per metal type, a \$25 processing fee is charged for each additional offer.  
Example, if you request your 10k, 14k, and 18k gold to be processed individually with an offer on each, you would incur two \$25 fees.
- Accept or \*decline your offer.

All offers are based on the 2nd London Fix after melt weight and purity is established.  
\*If the offer is declined or you want your metal returned, it will be returned as a melted bar.
